Kick up your adrenalin by diving with bull sharks. Get acquainted with a giant manta ray. Grab your fins, mask and snorkel to meet the fastest fish in the world - the sailfish. And get close to the largest fish on Earth - the whaleshark. Scratch these big-animal encounters off your adventure bucket-list with Pro Dive Mexico. Go big or go home.

EXPERIENCE WORLD-CLASS UNDERWATER ADVENTURE

In addition to world-class large animal safaris, other dives guarantee unforgettable adventure. Explore the world's largest reef on the Northern Hemisphere with its stunning marine environment, colourful coral formations and amazing variety of sea life. Descend the deep walls of the Cozumel Marine Park. Enjoy wreck, night, turtle and technical diving. And experience

the clear and mystic waters of an ancient Mayan cenote. Even better, professional underwater video services are available to document your dive vacation of a lifetime. And don't forget, Pro Dive Mexico offers free nitrox.

TAKE YOUR DIVING TO NEW HEIGHTS

Pro Dive Mexico features nine dive centres on the Riviera Maya and in Cozumel, and each is recognised with National Geographic and Green Star awards. They are staffed by multi-lingual guides who are certified Master Scuba Diver Trainers. Pro Dive Mexico also boasts the leading PADI Career Development Centre in the area. Their Go Pro programme offers a diversity of classes and specialties to allow you to make the career change of a lifetime - becoming a professional diver. The centres are equipped to meet the comprehensive

needs of advanced divers, but they are also mindful of absolute beginners and can accommodate disabled divers.

YOU DESERVE THE BEST

Pro Dive Mexico's motto is Excellence through Quality. That means you get the VIP service you deserve. It is the official on-site dive and watersports provider for coveted four- and five-star hotels. Pro Dive can even set you up with Stay & Dive packages at preferred rates. They provide top-quality rental gear and operate their own transportation system to take you to and from your hotel and airport, as well as cultural tours throughout the Yucatan. Take the plunge and dive into 3,000 years of Mayan civilization, Meso-American Pre-Columbian culture and hidden underwater worlds. Grab your mask and fins because adventure awaits!
